## TEC-4 PAUL G. TAYLOR OF HAMLIN RECEIVES SILVER STAR FOR GALLANTRY

The above is evidence of recognition of gallantry by Major General J. Lawton Collins, Commanding General of the Seventh Corps, in Belgium, to T/4 Paul G. Taylor, of Hamlin, who is serving in the 4th Cavalry Reconnaissance Squadron in the great battles of Belgium and Germany.

The official communication received by the Herald reads:

"Headquarters, 4th Cavalry Group  
"14 December 1944. Inclosed herewith is a print of presentation of Silver Star to T/4 Paul G. Taylor of your community, which is being forwarded to you for publication. For Commanding Officer, F. L. Bredimus, Major, Cavalry, Adjt."

Sgt. Taylor wrote his grandparents, Mr. and Mrs. John W. Burgess, on Dec. 12, from Germany, saying he felt OK except he thought he was taking "the darn flu." He mentioned the "Silver Star" only slightly. He says, "My General is Major General

Collins, and he is a good one, too."

Not only the grandparents, Mr. and Mrs. Burgess, his uncle, Tom E. Taylor, and wife and other relatives in this community are glad to learn of this recognition of gallantry in action, but also the two brothers, S/Sgt. Howard E. Taylor of Clovis, New Mexico, and Sidney Gene Taylor, 1/S, who is somewhere in the Pacific. All of Paul's Hamlin friends and acquaintances are proud of him. Let us all hope he will come through the great battles safely and get back to home life and happiness. That smile on Paul's face indicates he is feeling a great moment and even the General looks quite happy.

## Hamlin Boy Places First On Honor Graduate List

PVT. WILLIAM D. BRISTOW, JR.

Private Wm. D. Bristow, Jr., who recently completed a course in Radio at Truax Field, Madison, Wis., not only was named on the honor graduate roster, but headed the list. Below, we reproduce a clipping from the Truax Field paper:

"Pvt. William D. Bristow, Jr.,

## Lt. R. A. Dean Safe After Reported Missing

A very welcome message came to Mrs. J. B. Terrell, January 15, from her nephew, Lt. R. A. Dean, who had been reported missing in action since Nov. 20, 1944. It read: "All well and safe." No details were given. He is pilot, stationed with the 15th AAF in Italy.

Friends and acquaintances rejoice with the family over this news. R. A.'s parents, Mr. and Mrs. R. S. Dean, formerly of Hamlin, live in Richmond, Calif. He has a brother, George Dean, who has served more than two years overseas with the Marines. George is now stationed at Pearl Harbor.

(H), a youngster from Hamlin, way out there in the Texas Panhandle, roped and hogtied the top position on the honor graduate list this week for Class 6-45. Just 18 years of age, Bristow averaged 4.40 for the course.

"After graduating from high school, he worked as an apprentice on standard and electrical aircraft instruments at a naval aircraft station. He studied fundamentals at the

## Reported Missing In Germany Since Dec. 21

Mrs. Alma B. Lewis received a message from the War Department on Thursday of last week that her husband, Pfc. Elsie O. Lewis, is reported missing in action in Germany since Dec. 21, 1944. No other information has been received.

Mrs. Lewis and two children, Thersia Faye and Shirdella West, have been making their home in Hamlin with her parents, Mr. and Mrs. K. Garrett, since Pfc. Lewis left for overseas service last October. The last letter which Mrs. Lewis received from her husband was headed "England, Nov. 20." His parents, Mr. and Mrs. C. M. Lewis, reside at Comanche, Texas.

## March of Dimes Starting In Hamlin

Last year Mrs. W. R. Bond was local chairman to promote the "March of Dimes" to be used in the infantile paralysis fight. Hamlin provided \$184.00 last year for that purpose.

Again this year, Mrs. Bond takes this worthy responsibility in the Hamlin community and again the Junior Class of Hamlin High School will assist in the drive. A number of jars will be placed in business houses for the reception of the dimes. But if you fail to see the "jars," you can not help but run into a Junior on Hamlin's streets on Saturday, January 27. Brother, let your dime march in this good year 1945. Save a dime and give dimes.

Virgil Money underwent an operation for ruptured appendix Monday in the Rotan hospital. Latest report he is doing nicely.

## T-Sgt. Teddy Russell Receives Air Medal For Service In India-Burma

T/SGT. TEDDY E. RUSSELL

"Hdqs. Tenth Air Force  
"U. S. Army, APO 216  
"Award of the Air Medal to T/Sgt. Teddy E. Russell, 21, son of Mr. and Mrs. W. C. Russell, of Jackson Ave., Hamlin, Texas, has been announced by Maj. Gen. Howard C. Davidson, Commanding General, Tenth Air Force, EAC.

"T/Sgt. Russell is a liaison-plane pilot who has chalked up 265 combat missions totaling 180 hours during his ten months of service in the India-Burma theater. He was graduated from Hamlin High School and attended John Tarleton Agricultural College. Prior to entering the armed forces 26 months ago, he worked at the F. & M. National Bank."

The above official release, received by the Herald, Sunday, January 7, was of particular interest—first, because it was a recognition of outstanding accomplishment by a Hamlin boy; and second, because it gave the first definite information to family and friends as to the air force and command to which Teddy is attached.

T/Sgt. Russell left early in 1944 for overseas assignment and has seen extensive service in the India-Burma theater of operations. As a liaison pilot, in the American Air Forces, his experiences have been varied and unusual.

Teddy has a unique style of writing and his letters are strikingly interesting despite rather rigid censorship. He has been able to tell of

## SGT. FOY PRIBBLE WRITES HIS PARENTS AT HOBBS, N. M.

About 11:00 o'clock Wednesday night, Mrs. L. B. Pribble, of Hobbs, New Mexico, called Mr. and Mrs. Elmer Feagan to tell that she had just received a real, sure enough letter from her son, Foy, who is a prisoner in the Osaka Prison Camp No. 1 of Japan. The letter was rather full and satisfying to Mr. and Mrs. Pribble. Foy had not been heard from in about 18 months. He said he had gotten letters and packages from home, and named a long list of articles he wished they would send him. All this is glad news to all the Pribble friends in Hamlin and everywhere.

Mrs. J. W. Wendel was taken to Lubbock sanitarium Monday. She is now at her home in Hamlin for a rest period.

Mrs. Paul Gentry left last week for San Diego, Calif., to be near her husband who is in training at San Diego Naval Base.

## A Fine Statement From A Good Bank

In this issue of the Herald, we note the finest financial bank statement that has ever been published in this town of Hamlin. The Herald would like to have more space to "elaborate" on what a good, sound bank means to a community, but as matters are now, we shall let their statement stand on its own figures.

We shall say, however, that Hamlin's bank is a home institution, and operated by home folks, even Hamlin "developed" boys and girls. It would not be out of place to refer to the banking officers and force in Hamlin as "CCC"—Conscientious, Cautious and Courteous. All that belongs to the Farmers & Merchants National Bank of Hamlin.

Mr. and Mrs. T. W. Flenniken are busy this week preparing to move to a farm near Levelland that they have rented. They own a nice farm west of Neinda. T. W. has served as bookkeeper about eight seasons at the Hamlin Farmers Cooperative Gin.

## METHODIST CHURCH NOTES

E. L. Yeats, Pastor

A special service of interest to every one has been planned for next Wednesday evening at 7:30. It will be in the form of a picture lecture on "Mother Mary." This message will be illustrated by colored pictures on the screen. The public will be welcomed. During the rain of last Wednesday, even 35 people came to the service. With clear weather next Wednesday, we are expecting 100 to hear and see this Picture Lecture.

Rev. O. W. Carter, Abilene District Superintendent, was in our city Monday. His visits are always welcomed.

President Cook of McMurry College has just returned from Washington where he has been in preparation for the erection of a men's dormitory and the finishing of the girls' dormitory.

Miss Inez Baggett has recently been elected to a district office in the Youth Fellowship organization of the district. This makes her a member of the district council which meets next week at Merkel.

### Sub-Deb Club Sponsors Book Campaign

Will you help your country? This is your chance to help the war effort—now, while the United States pleads with you to give just a little for the boys giving their lives. While we are here, safe and secure, enjoying luxuries, there are boys who are seeking courage to go on.

The Sub-Deb Club wants to do its share. If you back us up in this campaign, you will also give a little enjoyment to the boys overseas. The Sub-Deb Club is sponsoring a BOOK CAMPAIGN. The books will be sent overseas to the boys, who certainly deserve them.

We have placed a box in front of Bryant-Link Dry Goods where you can put any book suitable to send. The club will assort the books and see that they are sent overseas. This will depend on your cooperation for its success. It is just a small part, but any books you give will be greatly appreciated. Some day, perhaps, the boys can thank you in person for doing your part. —Reporter.

trips without mentioning names and has sent several souvenirs and gifts to his parents, Mr. and Mrs. W. C. Russell, and his brother, Cpl. Jack Russell of Bryan Army Air Field. One, a Jap battle flag, is on display at the F. & M. National Bank. For Christmas, Mrs. Russell received a carving set, knife and fork enclosed in intricately-carved teak-wood cases trimmed with brass.

Teddy entered service on Sept. 12, 1942, at the age of 19, and began a liaison course at Tonkawa, Okla. He records as one of his "greatest thrills in flying" his first solo flight. After completing the 10-week liaison course, he was ordered to report to the reception center at Camp Wolters, Texas, which, at the time, Teddy said he was sure it was "the worst experience my life holds." From there, he went to Waco Flying Field, and his training to become an Army Liaison-Pilot later took him to Ft. Sill, Okla.; Kelly Field, San Antonio, Texas; Sheppard Field, Texas; Lebanon, Tenn., where he was stationed during several months, maneuvers in Tennessee and Kentucky; and Statesboro and Savannah, Ga.

Teddy made quite a record at promotions, for he was promoted from Private to Staff Sergeant on Sept. 10, 1944, and less than four months later he received the rating of Tech Sergeant.

T/Sgt. Russell entered the liaison-pilot training when the program itself was just beginning and was still having growing pains. And after transferring to field artillery, back to the air corps, and finally back to the liaison-pilot course, Teddy distinguished himself in this work. Even yet the average civilian is hardly on speaking terms with this phase of the great air strategy, in which liaison or coordination between command departments is so essential. But at this very instance, if we could ask Teddy what he had "most rather" be in the armed forces, we bet he'd reply without hesitation, "A liaison-pilot."

### Hamlin School Students Collect Waste Paper

The collection of waste paper has become the number one salvage job of the Nation.

In Hamlin, an intensive scrap paper drive is being conducted by Hamlin school students and will last through January 27th. Students of both the Elementary and the High School will make a house to house canvas on Friday the 19th and arrange for the collection on Saturday the 20th, beginning at 10:00 A. M.

SAVE YOUR PAPER FOR THE SCHOOL PAPER TROOPER. Tie it securely in bundles of from ten to twenty-five pounds and have it ready for collectors; or, if you have a conveyance, take it to the City Barn just east of the old City Hall or fire station, where it is being collected. Stack it by the door and City Employees will place it in the house each evening, as the building is kept locked.

Hamlin Schools will receive the proceeds of this paper collection.

Business houses are urged to save their scrap paper and give it to the Paper Trooper or take it to the City Barn. Rural homes and communities are urged to cooperate in the drive.

### Former Hamlin Man Marries in New York

(The following article is taken from a newspaper clipping which was sent to the Herald this week.)

Mr. and Mrs. O. E. Harris, of Detroit, Michigan, announce the marriage of their daughter, Mildred, to Mr. Guy M. Wilson, son of Mr. and Mrs. M. C. Wilson, of Hamlin, Texas.

The ceremony was performed at high noon on December 25 in the Little Church Around the Corner, in New York City.

The bride, a lovely brunette, was attired in a smart gray suit with black accessories. Her flowers were a shoulder corsage of pink rosebuds.

Her matron of honor was Mrs. Atta Curry, of New York, sister of the bride. Mr. Atta Curry served as best man for Mr. Wilson.

The new Mrs. Wilson, formerly of Jenkins, Ky., has been employed with the First National Bank for the past two and a half years.

Mr. Wilson is a graduate of North Texas State Teachers College, and is at present employed as an auditor for the Oil Well Supply Company (a United States Steel Corporation subsidiary).

Mr. and Mrs. Wilson plan to make their home in Dallas, Texas, in the near future.

### Ruth Class Entertained

Members of the Ruth Class of the First Baptist Church were entertained with a "Backward Social" on Tuesday evening, January 9, in the home of Mrs. A. Spencer, teacher of the class. Mrs. H. V. Brown was co-hostess.

Guests, who were dressed backward, were greeted at the back door with such expressions as "Good-night," "Hope you enjoyed the evening," and "Come again." They were then ushered backward into the entertaining room where refreshments were served. Following refreshments, games were played, after which the regular monthly business was conducted by Mrs. Herman Treadwell, president.

Others attending were Meses. Edward Gardner, Cecil Brown, Paul Baucum, John Jenkins, Lesley Shelburne, and E. J. Whaley.—Reporter.

Mrs. J. W. Ezell had as her guests from Thursday until Saturday Captain and Mrs. Elo B. Jackson and little son, Elo III. Captain Jackson, who has recently returned from two years' service in the Aleutians, and his family spent a leave with relatives in Alabama, and were returning to his station at Camp Bowie.

### Rotary Governor Visited Hamlin Club

DR. HARRIS M. COOK

The Hamlin Rotary Club was addressed Wednesday by their District Governor, Dr. Harris M. Cook, a member of the faculty of the Canyon State Teachers College. He was accompanied by his wife, "Ruby," and little son, Joe. Their association with Hamlin people was as if they had reached home "again." A jolly, friendly little family, and Dr. Cook is filled with the Rotary Spirit that is doing a great deal of good in the world, in spite of the war. His address was one of the best ever given by any Rotary Governor.

### Mrs. W. C. Russell Hostess to Garden Club

Mrs. W. C. Russell was hostess to the Hamlin Garden Club Friday afternoon, January 12. To roll call, members answered by naming their favorite bird.

Mrs. R. D. Moore, leader of the program, read a very interesting paper on Trees, naming some that are adapted to this climate, and some that are appropriate for planting on home grounds. Mrs. E. M. Wilson discussed memorial planting as our patriotic duty to our soldiers, stressing objects of beautification for the country and towns, and for our individual homes in appreciation for sacrifices made by our boys.

Mrs. W. A. Albritton brought valuable information on attracting and protecting song birds, naming kinds of food preferred by some birds, and

When you check over the things you want to buy with those War Bonds you're tucking away, you'll probably find that many of them are Electric.

Electricity will run the machines that make 'em—and run 'em after they're made.

We had plenty of electric power for every war plant and we'll have plenty for expanding post-war production.

We kept the price of electricity low, in spite of war, and you can be sure it'll stay low in peace. The sooner we win the war the sooner we can all enjoy the comforts of electric living.

Let's win the war First.

## 'Think on these things'

PROVERBS 14:34

"Righteousness exalteth a nation; but sin is a reproach to any people."

ISA. 60:12

"For the Nation and kingdom that will not serve thee shall perish; yea, those nations shall be utterly wasted."

II CHRON. 7:14

"If my people, who are called by my name, shall humble themselves, and pray, and seek my face, and turn from their wicked ways; then will I hear from heaven, and will forgive their sin, and will heal their land."

PS. 9:17

"The wicked shall be turned back unto Sheol, Evel all the nations that forget God."

Friends, these quotations from the Book of God are too plain to be misunderstood. And at this hour when our nation is fighting against outside enemies for her right to live among the nations of the earth we feel that every loyal American should throw himself into the battle on the home front to stem the tide of Godlessness, moral corruption, and sin that has inundated and overflowed the entire world.

God has plainly stated that nations serve him or perish. There is not a single exception to this in the annals of man.

Take for example the ante-diluvians. God, why did you destroy the world once with a flood? Answer, Gen. 6:5, "And God saw that the wickedness of man was great in the earth, and that every imagination of the thoughts of his heart was only evil continually.... And the Lord said, I will destroy man whom I have created from the face of the earth, for it repenteth me that I have made them. God destroyed the inhabited earth because of its Godlessness and saved Noah alive because of his righteousness.

Lord, why did you destroy Sodom and Gomorrah? Gen. 18:20 "And the Lord said, Because the cry of Sodom and Gomorrah is great, and because their sin is very grievous...." God destroyed those cities because of their wickedness!!

God, why did you destroy seven nations in the Land of Canaan by the hand of the Jews? Listen to Deuteronomy 9:4 "Speak not thou in thine heart, after that the Lord thy God hath cast them out before thee, saying, For my righteousness the Lord hath brought me in to possess this land; but FOR THE WICKEDNESS of these nations the Lord doth drive them out from before thee." God destroyed them because of their sin!

Dear Reader, take your Bible now and read why God destroyed Egypt as recorded in Ezekiel 30. Read why he destroyed Assyria; Ezekiel 31:11 "I have driven him out for his wickedness." Turn now and read Jeremiah 51 and understand why and how God destroyed Babylon, one of the greatest of the empires of antiquity. God said he did it because of Sin!

On and on we might go but the record is still the same. Come this side of the Bible and hear Gibbons summarize the causes for the fall of the Great Roman Empire. Because of space we do not give them all but note those given.

1. The Rapid increase of divorce, with the undermining of the sanctity of the home, which is the basis of society.
2. The Mad Craze for pleasure; sports becoming every year more exciting and more brutal.
3. The decay of religion; faith fading into mere form, losing touch with life, and becoming impotent to guide it.

Friends, a lot of solutions for our world's ills have been offered. Philosophy says, "Think your way out;" Repeal says, "Drink your way out;" The New Deal says, "Spend your way;" Politics says, "Legislate your way out;" Science says, "Invent your way out;" Industry says, "Work your way out;" Communism says, "Strike your way out;" Townsendism says, "Pension your way out;" Fascism says, "Bluff your way out;" Militarism says, "Fight your way out;" Jesus Christ says, "I AM THE WAY OUT!" It is God's way or it is ruin. It is God's way or it is destruction.

## POT-SHOTS FROM McCAULEY

BY GEO DARDEN

Visiting Mrs. Lee Hendon and other relatives in this vicinity this week were Mr. and Mrs. Monroe Hopkins of Austin.

We made a dreadful mistake last week when we wrote in this column that Corporal Guy Kemp was home, when we should have written S/Sgt. Guy Kemp. Well, any way we gladly correct mistakes. Sgt. Kemp is stationed at Columbus, Ohio.

"One leg gone, but wound not serious," so says a Captain who lost a leg in France. And we at home "beef" about everything. Think it over, Mister.

Mrs. Dan Maberry has been quite ill for several days.

Fred Maberry is here from Beaumont visiting with his mother and other relatives.

Supt. Webb hands us the following letter, which in fact is very complimentary:

"Roby, Texas, Jan. 12, 1945

"Mr. C. J. Dalton, County Supt.

"Roby, Texas

"Dear Mr. Dalton: I had the opportunity of eating in the McCauley school lunch room yesterday, Jan. 11. I want to commend the supervisors of the program because of the very satisfactory way everything is being handled. It is one of the cleanest lunch rooms I have ever seen. Not only is the room clean, but the women are immaculate. The women seem to cooperate and each wants to better the program.

"Another thing I noticed was the good behavior of the children. That is some times unusual. Each child knew exactly what to do, and each received a full plate of good wholesome food which had a good variety in flavor and color.

"I think that this group is putting over a fine program.

"Yours truly, Geraldene S. McCauley, Home Demonstration Agent."

## American Legion and Auxiliary Met In Joint Session

Keifer Patterson Post, American Legion and Auxiliary, met in joint session, Monday night, Jan. 15, in the Legion Hall.

Talks were made on subjects of interest to all ex-service men, and plans were discussed whereby the Legion and Auxiliary can be helpful to the boys returning from service.

A report was given of the trip to Camp Berkeley, Abilene, Texas, to distribute the Christmas packages collected for the "Give To The Yank Who Gave" campaign, conducted by the local Post and assisted by the Auxiliary. This report will be of interest to all who contributed these gifts, some of whom have received letters of thanks from the boy or girl receiving the packages.

On Saturday afternoon, Dec. 23, Post Commander W. L. Fletcher, Jr., Mrs. Fletcher, and their children, W. L. III and Marilyn; Mr. and Mrs. Landon Davis, and Mrs. P. A. Fowler went to Abilene and took the packages to the West Texas Utilities Bldg. There they met groups of representatives from the other posts in the district. The packages were tagged and made ready to be picked up by army trucks and delivered to Camp Berkeley.

The Hamlin Post donated 132 packages, which proved to be the largest number sent from any post, according to membership. Upon arriving at the Camp Hospital, the large group of Legionnaires and wives were divided into smaller groups, given their part of the gifts, and under the direction of a nurse were conducted to wards of the hospital, where the gifts were distributed to the patients. The wards were all gaily decorated with Christmas trim-

## How women and girls may get wanted relief from functional periodic pain

Cardul is a liquid medicine which many women say has brought relief from the cramp-like agony and nervous strain of functional periodic distress. Here's how it may help:

- 1 Taken like a tonic, it should stimulate appetite, aid digestion, thus help build resistance for the "time" to come.
- 2 Started 3 days before "your time", it should help relieve pain due to purely functional periodic causes. Try Cardul. If it helps, you'll be glad you did.
